at which the assessment of self-declared environmental claim has been conducted pursuant to ČSN EN ISO 14021. The results are stated in Evaluation report file No. 18.220.047 from 06.09.2025.

The self-declared environmental claim (in the annex) for the product type mentioned above fulfils the applicable requirements of the following regulations/standards which were the basis for its evaluation:

ČSN EN ISO 14020:2023; ČSN EN ISO 14021:2016/A1:2022;
ČSN EN 15343:2008; ČSN EN 15347-1:2025; ČSN EN 15346:2008.

Certification scheme: SCH3 – based on ISO/IEC 17067, scheme 3 and in accordance with TÜV SÜD Czech certification system and General Terms and Conditions for Product Conformity Assessment.

This certification is valid: from **10.09.2025** until: **09.09.2028**

Details and validity conditions are stated in the annex which forms an integral part of this Certificate and contains 2 pages.

This certificate is issued on the basis of voluntary certification, and it does not substitute outputs of the authorized or notified body.

Prague, issued 10.09.2025

Pavla Nerandžičová
 On behalf of Certification Body
 Pavla Nerandžičová
 Head of Certification Department

1. The product specimen was entered for evaluation and type certification on 31.07.2025.
2. The Certificate was issued on the basis of the documents provided by the client.
3. The assessment of self-declared environmental claim and related documentation was performed at the product manufacturer concentrating on elements ensuring the continuation of product conformity with certification requirements. The results are stated in the Evaluation report of TÜV SÜD Czech file No. 18.220.047.
4. Validity Conditions
 - The certificate shall apply only to its holder and products and production places mentioned therein.
 - The transmission of this certificate to third parties is inadmissible as well as the use of certificate by third parties.
 - TÜV SÜD Czech shall be forthwith notified of any product modifications compared to the certified specimen. This fact may cause the certificate continuation dependent on an additional conformity evaluation.
 - TÜV SÜD Czech shall supervise the continuous fulfillment of the environmental requirements by the process of self-declared environmental claim at the manufacturer within 12 months deadline on the basis of a concluded contract about the controlling activity.
 - The certificate shall only be reproduced complete including all the annexes.
 - The certificate holder commits to keep records of all the relevant complaints concerning the conformity of the products with the requirements of regulations and standards and make those records available to the certification body TÜV SÜD Czech.
 - Not specified items (advertising, use of certification mark and certificates) are governed by the General Conditions for Product Certification, as amended.

Self-declared environmental claim related to the product:
